INFRASTRUCTURE

At SSVAP, we take pride in offering unparalleled facilities for photography education. Our unique selling point lies in our expansive and specialized studios, each designed to cater to specific aspects of photography:

Studio 1: Dedicated to conceptual fashion shoots, complete with a green room for preparation.

Studio 2: Exclusively designed for tabletop photography.

Studio 3: A foundational space for learning film techniques.

Studio 4: An automobile studio equipped for vehicle photography.

Studio 5: A daylight studio leveraging natural light for shoots.

INFRASTRUCTURE

Dark Room: A space for post-processing negative films.

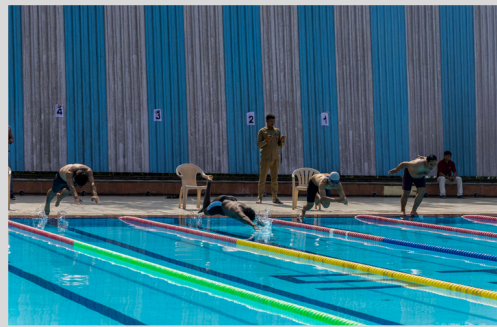

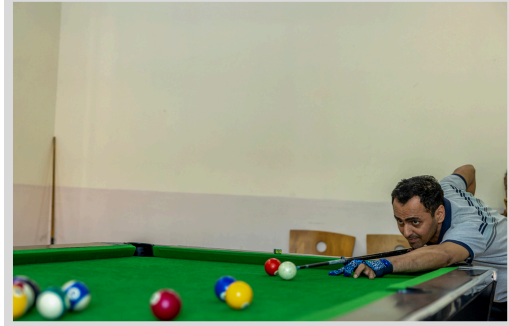

Mac Lab: Fully equipped for photo and video post-production and editing.

SPORTS

Photography at symbiosis fosters the holistic development of individuals.

LIBRARY

PROGRAMME AND PEDAGOGY

Symbiosis School of Visual Arts and Photography, (SSVAP) formerly symbiosis school of Photography Pune, established in 2012, is situated on a scenic hilltop campus at Symbiosis International University, Lavale in Pune.

At SSVAP, we believe in experiential learning, emphasizing hands-on practice over traditional textbooks and lectures. Our flagship programme, **BA in Visual Arts and Photography**, is designed to prepare students for the dynamic world of photography and visual storytelling.

Our pedagogy integrates:

- **Practical Training:** Focused sessions to master photography techniques and creativity.

- **Study Tours & Workshops:** Exposure to real-world scenarios and expert guidance.

- **On-Field Demonstrations:** Live projects and immersive learning experiences.

- **Industry Visits & Internships:** Engagement with established professionals and organizations.

- **1-on-1 Reviews:** Personalized feedback sessions with industry photographers and filmmakers.

ABOUT US

Our comprehensive curriculum, supported by a robust visiting faculty, ensures students gain insights from practicing photographers excelling in diverse genres. Our faculty members collaborate with reputed fashion houses, product brands, wildlife organizations, and news agencies, enriching the learning experience.

In alignment with **SIU's Outcome-Based Education model**, SSVAP offers a practice-driven approach, perfect for students who thrive on exploration and hands-on experiences. For those who wish to learn beyond the confines of a classroom and see the world through a lens, **Symbiosis Photography School is your destination.**

Courses offered:

1. B.A. (Visual Arts & Photography)

- **Duration of the Programme**

B.A. (Visual Arts & Photography) – **36 Months (3 years) Full Time**

- **Is the programme residential? No** (However, We Provide Hostel accommodation)

- **Eligibility**

Passed Standard XII (10+2) or equivalent examination from any recognized Board.

- **Important:** It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.
